

Glenouther Wind Farm

Environmental Impact Assessment Report (EIA Report)

Volume 4: Technical Appendices

August 2026

Glenouther Wind Farm

Environmental Impact Assessment (EIA) Report

Volume 4: Technical Appendices

Prepared by LUC

On behalf of

Wind Power North Four Limited

August 2026

Preface

This Environmental Impact Assessment (EIA) Report has been prepared in support of an application by Wind Power North Four Limited ('the Applicant') to East Ayrshire Council (EAC) under the Town and Country Planning (Scotland) Act 1997 as amended ('the Act') to construct and operate Glenouther Wind Farm ('the Proposed Development') for a period of 35 years. The Proposed Development is located on Glenouther Moor approximately 4.5 kilometres (km) north-east of Stewarton within the EAC administrative area. The Proposed Development will comprise up to five wind turbines and other ancillary infrastructure.

The EIA Report comprises the following volumes:

- Volume 1: Non-Technical Summary;
- Volume 2: Main Report;
- Volume 3a: Figures;
- Volume 3b: Landscape and Visual Impact Assessment Visualisations (Part 1);
- Volume 3c: Landscape and Visual Impact Assessment Visualisations (Part 2) and Cultural Heritage Visualisations;
- Volume 4: Technical Appendices (this volume); and
- Volume 5: Confidential Documents.

In addition to the above, the application is supported by a Planning Statement, a Pre-Application Consultation (PAC) Report, a Design and Access Statement and a Socio-Economic, Tourism, and Recreation Impact Assessment Report.

A hard copy of the EIA Report (excluding Volume 5) and the other supporting application documents will be available for public viewing during the application consultation period within business opening hours at the following addresses:

The Johnnie Walker Bond
Strand Street
Kilmarnock
East Ayrshire
KA1 1HU

Stewarton Community Library
17 Avenue Street, Stewarton
Kilmarnock
East Ayrshire
KA3 5AP

A hard copy of the EIA Report (excluding Volume 5) can be obtained at a cost of £1,200.00. Alternatively, a USB memory stick is available for £15.00. Any requests should be made using the following email address: glenouther@mucklemedia.co.uk. An electronic version of the EIA Report (excluding Volume 5) and supporting documents will also be available to view and download from the project website at: <https://glenouther.vestaswindprojects.com/> and the EAC planning portal: <https://eplanning.east-ayrshire.gov.uk/online/>.

Any public representations to the application may be submitted via the EAC planning portal at <https://eplanning.east-ayrshire.gov.uk/online/> or by email to submittoplanning@east-ayrshire.gov.uk, identifying the proposal and specifying the grounds for representation. EAC will advertise the submission of the EIA Report in the local and national press and the EAC planning portal. The advert will state the deadline for submitting representations to the EAC in relation to the planning application.

Volume 4: Technical Appendices

Contents

Technical Appendix 1.1: Statement of Expertise
Technical Appendix 2.1: Scoping Consultation Table
Technical Appendix 2.2: Schedule of Mitigation, Good Practice, Enhancement and Monitoring
Technical Appendix 4.1: Wind Farm Forestry Plan
Technical Appendix 4.2: Outline Construction Environmental Management Plan
Technical Appendix 4.3: Aviation Assessment
Technical Appendix 4.4: Shadow Flicker Assessment
Technical Appendix 5.1: LVIA and Visualisations Methodology
Technical Appendix 5.2: Residential Visual Amenity Assessment
Technical Appendix 5.3: Aviation Lighting Night-Time Impact Assessment
Technical Appendix 6.1: Historic Environment Assessment
Technical Appendix 7.1 National Vegetation Classification and Habitats Survey Report
Technical Appendix 7.2: Protected Species Survey Report (includes a Confidential Annex D and Figure 7.5C – See Volume 5)
Technical Appendix 7.3: Bat Survey Report
Technical Appendix 7.4: Fish Survey Report
Technical Appendix 7.5: Outline Species Protection Plan
Technical Appendix 7.6: Outline Biodiversity Enhancement Management Plan
Technical Appendix 7.6: Confidential Outline Biodiversity Enhancement Management Plan (includes a Confidential Figure 2 - See Volume 5) *
Technical Appendix 8.1: Ornithology Technical Report
Technical Appendix 8.2: Collision Risk Modelling
Technical Appendix 8.3: Confidential Ornithology (includes Confidential Figures 1-4 – See Volume 5)
Technical Appendix 8.4: Confidential Ornithology Assessment (see Volume 5)
Technical Appendix 8.5: Shadow Habitats Regulation Appraisal for the Ailsa Craig Special Protection Area
Technical Appendix 9.1: Watercourse Crossings and Buffer Assessment
Technical Appendix 9.2: Peat Survey Report
Technical Appendix 9.3: Outline Peat Management Plan
Technical Appendix 9.4: Peat Landslide Hazard and Risk Assessment
Technical Appendix 10.1: Baseline Noise Measurements
Technical Appendix 10.2: Noise Prediction Methodology
Technical Appendix 10.3: Cumulative Modelling Assumptions
Technical Appendix 10.4: Cumulative Modelling Results
Technical Appendix 10.5: Site Specific Noise Limits
Technical Appendix 11.1: Transport Assessment

Technical Appendix 12.1: Carbon Balance Assessment

***The confidential information listed above is not included in this document and sits separately within Volume 5 of the EIA Report. Volume 5 is not available for public viewing.**
